

IF YOUR CADET HAS ASTHMA OR WHEEZING
AND MAY NEED ANY INHALER DURING ENCAMPMENT
READ THIS CAREFULLY

Tri-wing Encampment is required to be licensed by the State of Maryland as a residential camp and as such must follow state Regulations for the Administration of Medications during Tri-wing Encampment 2019.

An Asthma action plan MUST be **completed and signed** by you **AND** your Cadet's health care provider that includes **EVERY ASTHMA RELATED MEDICATION** that your child will or may take during encampment

1. Print this ASTHMA action plan and medication authorization form and have your health care provider complete the dosing instructions for **EACH** Asthma Medication that your child will or may take during Tri-wing Encampment, 2019.
2. Your health care provider **MUST COMPLETE AND SIGN** page 1, the ASTHMA ACTION PLAN **AND** page 2, Section II and IV the PRESCRIBER AUTHORIZATION for supervised self-administration and self-carry of an emergency inhaler.
3. A parent/legal guardian **MUST COMPLETE AND SIGN** SECTION III and IV the PARENT/GUARDIAN AUTHORIZATION to allow supervised self-administration and self-carry of an emergency inhaler.

If you have questions or concerns about medication authorization or administration please contact 1st Lt Janet Dean, MS, RN, CRNP, Tri-Wing Encampment Health Services Officer at capjanetdean@gmail.com.
